

*Lótessë 5, Fourth Age 11*

*To Azrahil of Umbar,*

*Greetings!*

*Your letter was interesting indeed. The name of Zinizigûr is known by some who are here, but little else besides her name and reputation is known about her. From what we do know of her, though, we believe that she will be able to aid Faramir greatly. How has he fared these past days? Has the fever abated? The healer here says she does not like this combination of fever and unconsciousness, nor does she like the fact that she does not know what sort of damage the poison has done to Faramir's body. We trust that this Zinizigûr is wise and skilled in her craft.*

*As to who sent your master the letter that so unnerved him, I doubt your guess is far from the mark. I do not know many details about it, but your description of the encounter sounds familiar. If you have an opportunity to read the letter, do so. I'm sure you might find it intriguing.*

*Tread carefully, though.*

Lady of Ithilien*
